

New Modern White Kitchen Cabinet

J&S supply New Modern white Kitchen Cabinet,high end lacquer white door ,Low cost

And durable quality with scratch-resistance.

New Modern white Kitchen Cabinet

If you're considering modern white kitchen cabinets for your next home improvement project, you're making a wise decision. White is one of the most popular colors for cabinets because it can match any color scheme and it gives the appearance of space, regardless of the size of your kitchen. Plus, when you install modern white kitchen cabinets in a small or darkroom, they will reflect the light and make the space appear brighter.

What is the New Modern white Kitchen Cabinet made.

①Eco-friendly particle board/plywood

All our panels comply with emission class European E1 and meet the stringent California Air Resources Board(CARB) emissions standards.

②Perfect melamine Edge banding and per-drill hole

The benefits of the four-sided edge-sealing cabinet design are not only to reduce the release of formaldehyde, but also to prevent moisture from entering the board substrate to prevent deformation.

③ Cabinet connect hardware

Cooperate with international top brands: BLUM & DTC. 50 years of service life. Passing 200,000 opening and closing cycle test.
